Dear Doug,

I am so sorry that I forgot my 2005 dues for my secret membership! I attach a money order for this year's dues and the next as well. This year has been hectic, with all I need to do to keep the Democratic party's power structure racially pure. But we are still doing it.

Rest assured that the white Democratic leadership is with you. By the way I ran into Al Franken, and he wants membership information. He has purified the ranks of his assistants and he has only strayed one time.

We've got everyone snookered. Everyone thinks that we are the party of equality and tolerance and the Republicans are the racial purifiers. I can't wait for power so we can pull the plug on the 13<sup>th</sup> Amendment once and for all! And I mean, I can't wait. I am getting quite old, you know.

Keep on. Say "Heil" to the Nazis for me!

Sincerely,

*Robert C. Byrd (this is not a forgery)*
