

THE WHITE HOUSE  
1600 PENNSYLVANIA AVENUE NW, WASHINGTON, D. C.

January 20, 1993

The Most High and Honorable Deng Xiaoping  
Beijing China

Chairman Deng,

I want us to have better relations. I also want to stay in the White House. If China donates money to Democratic candidates for the House of Representatives, the Senate and my re-election campaign, I will give you all the plans and research you need to make ICBM missiles capable of depositing Nuclear Bombs on our soil.

I await your response to my offer.

Sincerely,

Bill Clinton
